

This listing of claims will replace all prior versions, and listings, of claims in the application.

Listing of Claims:

1-27. (Cancelled)

28. (New) A selective call forwarding system, comprising:

(a) a telephone system configured to selectively forward a call made to a called number based on forwarding information for the called number; and

(b) a programmable telephone number table containing the forwarding information in communication with the telephone system that can be edited by a user of the system via a website.

29. (New) The system of claim 28 wherein the website resides on the Internet.

30. (New) The system of claim 28 wherein access to the programmable telephone number table via the website is restricted.
